“Women of Influence” Celebrating the Year of the Woman 2020

Declared the “Year of the Woman,” 2020 marks the 100th anniversary of the passage of the United States’ 19th Amendment, which guarantees and protects women’s constitutional right to vote.

This exhibit by Kentucky artists will showcase works that reference, celebrate and are inspired by women of influence throughout history. This exhibit will join the many other efforts across the country to ensure that the stories of the women who changed history are shared and celebrated.

Works can be focused on any woman from any country or time period – but the woman featured must have made significant changes or contributions to the betterment of society and the world.

Works can be in any 2-D or 3-D medium. 2-D works must be ready to hang and no works may exceed 6 feet in any dimension or weigh more than 50 pounds.
